NLG ID™
Serialised and safe

Simply scan the NLG ID tag with your phone to instantly access certificates, instruction videos and log inspections. (See Specification if included).

Third-party
tested and certified

Independent laboratory load testing certificates and Declarations of Conformity are available on request. Please contact team@neverletgo.com.

DESCRIPTION

The Comfort Belt and Braces Kit combines the Comfort Braces (101704) and the Comfort Safety Belt (101705) to provide an ultra-comfortable and supportive system to secure your tools and equipment whilst on site. The system features an array of attachment points, load-rated D rings and a phone/radio pouch to ensure all your tools and equipment stay secure and accessible. The 3D mesh, comfortable Y yoke and size adjustable fit help evenly distribute weight and ensure the user stays comfortable all day.

FEATURES

- Super comfortable 3D mesh
- Integrated anchor points for tool lanyards
- Sternum Strap
- Integrated radio/mobile phone pouch
- Additional mounting points for equipment, eg. gas monitor
- Integrated Helmet Lanyard anchor point at the rear
- Length adjustment on all straps for custom fit
- Comfortable Y Yoke design for ease of donning
- Double-action safety buckle
- Belt size: 76cm to 127cm (30in to 50in)

INSPECTION

In addition to routine checks before each use, all equipment should undergo regular detailed inspections, conducted and recorded by a competent person using the NLG Inspection Checklist. If any part is worn or shows signs of degradation, immediately retire from service. In the event of a drop, quarantine the equipment for a thorough inspection.
