Defendme® is a sleek personal alarm featuring a siren to maximize attention to yourself when needed for self defense. The piercing 120 dB siren can be heard up to 300 feet (100 meters) and will provide a practical protection and deter dangerous threats when seconds count!

This personal alarm is perfect for anyone and particularly for young people, college students, lone workers, joggers, elderly, nurses and sales representatives.

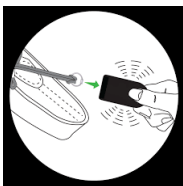

Easily attach defendme® to just about any strap on a backpack, purse, or even a belt-loop.

Powerful 120dB siren • Quickly activate by pulling the alarm • Easy to access and use • Compact and affordable • A must have for all women

Color: Grey. Delivered in a gift box. Batteries are included, the item is ready to use..
