Safety Knife Saucats

Photoluminescent Safety Knife
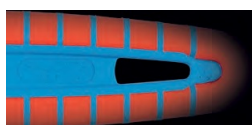

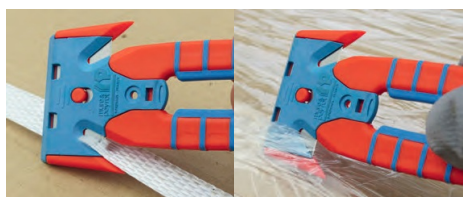

ILLBY PLAST
plast - muovi - plastics

Safety knife with two spikes to penetrate into paper and cut cardboard boxes and plastic films. Ergonomic handle.

Bi-matrial knife. Designed to cut adhesives, straps and tearing plastic packagings. The luminescaent material allows to spot the knife in black lights conditions.

Its scraper function allows to remove adhesives and the knife can be used as a scraper.

Easy to change blades, no need of tools.
