Auto-retractable Mini Cutter with replaceable Slice ceramic safety blade

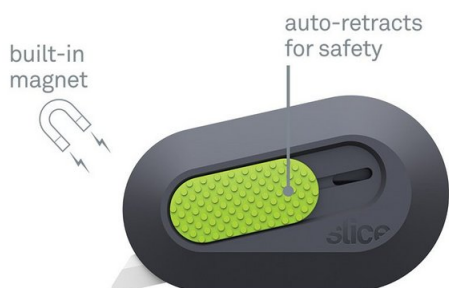

Features small convenient size and built-in magnet. Patented handle with rubberized slider button limits the amount of exposed Slice ceramic-blade to further reduce injuries. The perfect mini-box-cutter, it automatically retracts back into housing for added safety when slider button is released. Includes one patented high-tech double-sided Slice ceramic blade 10404 designed to reduce injuries by incorporating a safer rounded-tip. Sharpness level up to 10x longer than steel. Measures 63 x 38 x 10 mm and weighs 10 g

- auto-retractable for extra safety
- includes one double-sided Slice ceramic blade
- stays sharp up to 10X longer than steel
- simple no-tool blade change
- non-conductive, anti-magnetic blade
- never rusts, chemically inert blade
- replacement ceramic blade SKU#10404
- the perfect small sized mini box cutter
- less blade changes = < money + less injuries

COMPATIBLE BLADES:

#10404  ROUNDED
#10408  POINTED

 easy, no-tool
blade change

 lightweight
& compact
