Slider on both sides

With the right hand? With the left hand? It's all the same here. Because we have fitted the SECUNORM HANDY with a slider that is accessible from both sides. So, anyone can really work with it!

Stainless steel

Yes, you are right, it's a power package. Because the plastic insert of is inside a stainless steel handle. Your cutting tool is glad to go "through thick and thin" with you for a little longer.
