

Safety Knife MARTOR SECUPRO MERAK

[Show online](#)

The SECUPRO MERAK is our practical, lockable cutter with fully automatic blade retraction.

MAIN GROUP

All highlights at a glance.

Fully automatic blade retraction – a very high degree of safety

The fully automatic blade retraction of the SECUPRO MERAK guarantees a very high degree of safety from cut injuries. The blade withdraws into the handle immediately after leaving the material being cut. Even when the lever is still being squeezed.

Ergonomic form

Whether with the right hand and or the left hand: you will use the SECUPRO MERAK gladly and effectively.

The cutter is shaped with ergonomics in mind, and the force required to activate and release the lever is appropriately minimal, even at high cutting frequencies.

4-times usable blade

One blade, four sharp edges. You clearly get more out of your blade; four times more in fact. Rotating the blade allows you to cut with a constant cutting force, all the way through your work day.

Safe blade change

You can change your blade without any additional tools, and without dismantling the SECUPRO MERAK. You have nothing to lose: an integrated magnet prevents the blade from falling out.

Light and stable

A particularly abrasion resistant plastic has been used for the SECUPRO MERAK. Nevertheless, it has a comfortable weight. Your cutting arm is protected from fatigue, and your cutter from wear and tear.

Press for safety

You can prevent unintentional blade activity by activating the small blue blade lock. Simply press against the pictured lock to protect yourself from injury whenever your cutter is stationary.

Available printing areas

Room for your ideas: The blue marked surface is the area which you can use for your communication (values in mm).

Article No	124001
Material	Glass fibre reinforced plastic
Blade	92
Blade change	Yes
Stainless steel	Yes available
Detectable	No
Color	Black/blue
Food safe	No
Order number	124001.02
Measurements	128x18x50mm
Weight product	59 g
Cutting depth	9 mm
Replacement blade	Industrial blade 92 and 192 (stainless)
Packaging unit	1 in single unit box (10 knives in multipack)
GS-Certificate	S 60112078
