

Plastic bag with frictionclip, small

[Show online](#)

Plastic bag to protect the cutter from dirt and your fingers from the sharp blade.

MAIN GROUP

Fasten the Safety Belt Cutter directly on the safety belt and keep it always handy in case of an emergency. Also possible to fasten on your jacket or trousers. The cutter is easy to remove from the plastic bag.

This product is mentioned for the small Safety Cutter (one finger). The Safety Cutter is not included in the price!

Available in black, white, red, yellow and blue.
