YES, A CUTTING TOOL CAN BE THIS SMART. METAL DETECTABLE.

Make one cut with this knife and you'll know immediately why it's called a SMART cut. Its light and compact shape is SMART. The fact that it is suitable for almost all types of cutting material is SMART. What's also smart, is that you can use it in sensitive industries without thinking twice. Because its plastic handle is metal detectable and it has a stainless steel blade. Good to know, isn't it?

ALL HIGHLIGHTS AT A GLANCE.

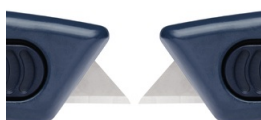

CAN BE METAL DETECTED

A cutting tool, or parts of it, can get lost while working. But only for a short while. Because the plastic that can be detected by a metal detector ensures you can find it again quickly.

ONE WAY, TWO ADVANTAGES

The SECUNORM SMARTCUT MDP is a disposable cutter. What that means for you: no risk of injury when changing the blade. The blade also cannot get lost in the production process.

SLIDER ON BOTH SIDES

With the right hand? With the left hand? The question does not arise. Because we have put a slider on to the SECUNORM SMARTCUT MDP that

is accessible from both sides. Choose for yourself!

PERFECT HANDLING

The product does not only look handy. Its small, rounded handle actually fits very well in your hand. What's more: the slider is fitted with grooves so that your thumb doesn't slip.

Article No	110700
Size	110 x 12.5 x 25 mm
Weight	23.5 g
Material	Metal detectable plastic
Blade change	No
Stainless steel	Yes
Detectable	No
Color	Dark blue
Food safe	No
Order number	110700.02
