

Pen Cutter SLICE 10512

[Show online](#)

Ideal for hard-to-reach areas with a ceramic blade and finger-friendly edge

ILLBY PLAST
plast - muovi - plastics

The Slice 10512 Pen Cutter offers an alternative handle profile to Slice's safety box cutter. Its slimmer cylindrical shape is ideal for hard-to-reach areas and it uses the same box cutter blades, offering the same great features. These include Slice's proprietary finger-friendly edge that reduces injuries. Our pen cutter design limits the amount of exposed blade, further preventing accidental cuts. The blade retracts into its housing when the user releases the rubberized slider button.

- Handle type: auto-retractable
- Handle features rubberized slider button
- Compatible blades: 10404, 10408
- Finger-friendly edge stays sharp 11x longer
- Non-sparking, non-conductive blade
- Durable glass-filled nylon handle
- Ambidextrous design
- Rust-free blade
- No-tool blade change
- Lanyard hole keeps tool handy
- Fewer blade changes = fewer injuries

SLICE 10512

Article No	10512
Size	133.5x17.35x17.35 mm
Weight	29 g
Material	ABS, GFN, POM, carbon steel, zirconium oxide
Blade	10404
Blade change	10408 or 10404
Stainless steel	No
Detectable	No
Color	Grey/green
Food safe	No
Order number	10512
Cutting depth	11 mm
Packaging unit	1 in
EAN	895142105122
