Degradable card holder. Plays a significant role in helping reduce carbon footprints!

ILLBY PLAST
plast - muovi - plastics

Our new range of BioBadge degradable single-sided ID card holders are available in landscape orientation and are manufactured using Oxo-biodegradable plastic. These card holders can play a significant role in helping your customers reduce their carbon footprint. The moulded ridge design reduces card bending or cracking resulting in fewer cards being reissued, therefore saving your customers both time and money.

- Sold in packs of 100
- 86mm x 54mm
- Fits standard CR80 credit sized card
