

Safety Cutter PENGUIN 900

[Show online](#)

Lightweight, disposable safety knife with twin blade entry and handle.

ILLBY PLAST
plast - muovi - plastics

The Penguin 900 is a heavy duty version of the Penguin 400 design, with the addition of the 'opposing slopes' on the knife head and the blunt tape cutter at the handle base, the 900 series is an effective, versatile cutter.

- No removable parts
- Opposing slopes at the knife head reduces friction for a more efficient cut
- Handle grip
- Guarded blade entries
- Lanyard point
- Tape cutter
- Disposable
