Safety Knife MIZAR + Belt Holster + 10 pcs of blades, all in one safety package.

What do you do with your cutting tools when you are not actually using them? The BELT HOLSTER is a robust holder that allows you to carry your Safety Knives at all times. In addition, the interior and exterior pockets are designed to allow you to load a pack of blades.

The SECUNORM MIZAR is ergonomically designed, lockable squeeze grip comfortably fits all hands. Making cutting super easy. Regardless of the number of cuts you make per day. No tools are needed to change the blade.
