Safety Knife SECUMAX 350 + Belt Holster + 10 pcs of blade, all in one safety package.

What do you do with your cutting tools when you are not actually using them? The BELT HOLSTER is a robust holder that allows you to carry your Safety Knives at all times. In addition, the interior and exterior pockets are designed to allow you to load a pack of blades.

The new SECUMAX 350 is a combination of versatility, comfort and safety. A maximum degree of safety. Featuring an innovative blade change, this cutter is multi-talented. It can be used to cut all standard materials, from film to plasticstrapping, from paper to 2-ply cardboard. It splits adhesive tape easily too. And it is so comfortable to hold that you won't want to put it down.
