

# New! Safety knife Martor Secupro Merak with ceramic blade

Show online

Safety, comfort? Everything under (lockable) control! With ceramic blade.

MAIN GROUP

Safety, comfort? Everything under (lockable) control! With ceramic blade.

The SECUPRO MERAK is our practical squeeze-grip safety knife with fully automatic blade retraction. With SECUPRO MARTEGO's "little brother" we have thought about one thing in particular: you. The lightweight and user friendly SECUPRO MERAK lets you work safely with little risk of cutting exhaustion, aided by the durable sharpness of the ceramic blade. And there's much more: thanks to a shallow cutting depth, your goods are also well protected.

All highlights at a glance.

Ergonomic form

Whether with the right hand or the left hand: you will use the SECUPRO MERAK gladly and effectively. The safety knife is shaped with ergonomics in mind, and the force required to activate and release the lever is appropriately minimal, even at high cutting frequencies.

Safe blade change

You can change your blade without any additional tools, and without dismantling the SECUPRO MERAK. Instead, just press the blade change button and fold the blue lever out all the way to access the blade.

Light and stable

A particularly abrasion resistant plastic has been used for the SECUPRO

Martor Secupro Merak with ceramic blade 92C

MERAK. Nevertheless, it has a comfortable weight. Your cutting arm is protected from fatigue, and your safety knife from wear and tear.

Press for safety

You can prevent unintentional blade activity by activating the small blue blade lock. Simply press against the pictured lock to protect yourself from injury whenever your knife is stationary.

4-cutting edge blade

One blade, four sharp edges. You clearly get more out of your blade; four times more in fact. Rotating the blade allows you to cut with a constant cutting force, all the way through your work day.

Article No	1240019
Size	128 x 18 x 50 mm
Weight	58g
Material	Glass fibre reinforced plastic
Blade	CERAMIC BLADE NO. 92C 2 on self-service card
Blade change	Yes, see options
Stainless steel	Yes see montable blades
Detectable	No
Color	Black / blue
Food safe	No
Order number	1240019.17
Cutting depth	9mm
Packaging unit	1 in single unit box (10 knives in multipack)
GS-Certificate	178906-7078-55094-2020
EAN	4002632802706
