

Turvaveitsi MARTOR SECUMAX MOBILEX 45137

Näytä verkossa

The SECUMAX MOBILEX is a safety knife with a concealed blade and an adjustable cutting depth. For paper, film or foam.

MAIN GROUP

All highlights at a glance.

Light in all respects

Small, light, ergonomically shaped. That alone makes the SECUMAX MOBILEX a valuable "colleague." Its low resistance while cutting also makes your work easier.

4-cutting edge blades

Until you have to change your blade some time, you can turn it and turn it over several times and quadruple your usage time in this way. Practical for you, favourable for your company.

Without a tool

You only have to push the blade changer upwards with your thumb and the blade is ready to change. The structured surface on the changer also gives you a better grip.

Ten cutting depths

What is unusual in the SECUMAX MOBILEX? Without a doubt its is the cutting depth adjuster, with which you can adjust blade access to the thickness and condition of your cutting material. Practical, isn't it?

For left and right handers

The SECUMAX MOBILEX fits into every hand. Yours too. Because the rounded off handle made of high quality plastic does not differentiate between left and right. Test it for yourself!

Order number	45137.00
Packaging unit	1 on self-service card (5 knives in multipack)
Measurements (L x W x H)	114 x 15.5 x 59 mm
Weight product	47.5 g
Cutting depth	10.2 mm
Basic material	Plastic
Replacement blade	INDUSTRIAL BLADE NO.
Packaging unit	37020 10 in magazine

Article No	45137
Material	Plastics / Aluminium
Blade change	YES
Stainless steel	NO
Detectable	NO
Color	Black/blue
Food safe	NO
Order number	45137.00
Measurements	114x15.5x59mm
Cutting depth	10.2 mm
Packaging unit	1 on self-service card
