Kaipaatko isompaa koteloa työvälineille? Veitsikoteloa johon mahtuu useampi veitsi ja vaihtoterät sekä muita työvälineitä?

BELT HOLSTER XXL:ssä on kaksi koteloa. Sisimpään koteloon saa kätevästi tavarat lukittua ja ulompaan saa velcronauhan avulla veitset tai työvälineet tiukasti kiinni veitsikotelossa. Eivät liiku ja ovat aina kätevästi mukana.

Veitsikoteloa voi pitää hinnassa olkapäällä, kiinnittää vyöhön vyöklipsin avulla tai Velcronauhan kanssa melkein mihin vaan.

MARTOR BELT HOLSTER XXL

**Big on space. And in the possibilities.**

The BELT HOLSTER XXL is a real space miracle. With it, you not only transport your MARTOR cutting tools safely from A to B. All other work utensils are always within reach. The BELT HOLSTER XXL has two large compartments: the inner one is lockable, the outer one is equipped with a knife safety device. You are also well equipped when it comes to carrying options. Choose flexibly between strap, Velcro fastener and clip.

**All highlights at a glance.**

Three carrying options

With the (detachable) strap, the BELT HOLSTER XXL becomes a shoulder bag. Or a hip bag, just as you like. Alternatively, use the Velcro fastener or clip – and attach the bag directly to your belt or trousers.

Large volume

The outer compartment holds at least three MARTOR safety knives. The inner compartment is ideal for your smartphone, spare blades and much more. Despite its volume, the BELT HOLSTER XXL is very easy to carry at

work.

Incl. knife safety device

The Velcro flaps protect your cutting tools from falling out. You can also attach the flaps behind your safety knives. This way they are immediately removable and ready for use.
