Everything always at hand: BELT HOLSTER S.

What do you do with your cutting tools when you are not actually using them? The MARTOR BELT HOLSTER S is a robust holder that allows you to carry all compact MARTOR cutters as well as our safety scissors at all times. In addition, the compartments are designed to allow you to load different tools: for example you can also carry a pen or a pack of blades. The MARTOR BELT HOLSTER is the ideal place to stow your tools safely when moving from A to B - and have them at hand, as soon as they are required.

2 attachment options

The belt holster can be attached to your belt in two ways: by clip-on or velcro fastener. Velcro is recommended for belts; the clip can also be used on many other areas of your clothing, such as your trouser pocket.

Intelligent spacesaver

With the MARTOR BELT HOLSTER you will always discover new storage options. A compartment here, a slot there - all designed so precisely to ensure the contents are kept as firmly as necessary while offering you maximum flexibility.
